

FAASTeam, EA-63 FSDO presents:

NTSB Safety Seminar

WASHINGTON – The National Transportation Safety Board will highlight lessons learned from its investigations of general aviation accidents involving loss of control, during a seminar at the NTSB Training Center, in Ashburn, Virginia. The NTSB has partnered with the Aircraft Owners and Pilots Association and the Federal Aviation Administration, two other organizations committed to enhancing general aviation safety, for this educational seminar. Please click the link below to register or visit the NTSB website to register here: <https://app.nts.gov/academyregistration/private/registernp.aspx?id=SAFETYSEMINAR-051416&Mkey=87574>
Doors open at 8:30 AM.

Directions: Directions to the NTSB Training Center are available at the following link:
<http://www.nts.gov/trainingcenter/facilityloc.htm#directions>

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
